

*My City, My Life,
Been there, seen the strife,
Been a part of the whole,
In it I play a role.*

*My City, My Life,
Here I live, I thrive,
Here I share, I care,
Here I dream, I dare.*

*My City, My Life,
Here I rock, I jive.
Here I work, I play
I Love her night and day.
My City...My Life!*
